Dear Parents/Guardians of Homer Middle School Students,

The REC Room is pleased to offer transportation from the Homer Middle School to the REC Room 5 days a week!

The REC Room is a safe space for youth ages 12-18 to gather, participate in activities, do homework, talk to a trusted adult or even just to pop in a grab a snack. REC Room hours are 3- 6:30 PM Monday-Friday.

If you would like more information about the REC Room and our current afterschool programming, please contact REC Room Coordinator Sierra Moskios (contact info above) or visit our website at homerrecroom.org.

Staff members providing transportation have been vetted and completed a van safety orientation training. Mask use is required by participants and staff in the van and at the REC Room. Students will be asked a brief series of COVID screening questions before boarding the van and entering the REC Room.

If you would like your child to be able to be transported to the REC Room after school using our van service, please fill out the form below AND the form attached and return to HMS.
