Dear Parents/Guardians of REC Room Participants,

In addition to our free afterschool activities at the REC Room itself, we sometimes take field trips into the community for fun experiences, learning opportunities, and chances to volunteer. To do so, we provide transportation to and from the REC Room in our 15-passenger Ford Transit van, which we purchased for this purpose. Staff members providing transportation have been vetted and have completed a van safety orientation training. COVID mitigation strategies are consistent with those in the REC Room itself.

If you would like to give permission for your REC Roomer to be transported by REC Room staff in the van, **please fill out this form and return it to the REC Room.**
